

DEPARTMENT OF CONSUMER AND REGULATORY AFFAIRS

NOTICE OF THIRD EMERGENCY RULEMAKING

The Director of the Department of Consumer and Regulatory Affairs (“Department”), pursuant to the authority under Section 205 of the Coronavirus Support Temporary Amendment Act of 2020, effective October 9, 2020 (D.C. Law 23-130; 67 DCR 8622 (July 17, 2020)), the Coronavirus Public Health Extension Emergency Amendment Act of 2020, effective December 21, 2020 (D.C. Law 23-524; 67 DCR 14747 (December 25, 2020)), the Department of Consumer and Regulatory Affairs Civil Infractions Act of 1985, effective October 5, 1985 (D.C. Law 6-42; D.C. Official Code § 2-1801.01 *et seq.* (2016 Repl.)), Mayor’s Order 2020-079, dated July 22, 2020, and Mayor’s Order 2021-004, dated January 11, 2021, hereby gives notice of a third emergency rulemaking to amend Title 17 (Business, Occupations, and Professionals) of the District of Columbia Municipal Regulations (DCMR) to add a new Chapter 115 (Third-Party Food Delivery Platforms).

This third emergency rulemaking amends Title 17 DCMR by creating a new chapter which establishes that third-party food delivery platforms operating within the District must register with the Department during declared a public health emergency. Additionally, these platforms shall not charge a restaurant a commission fee that totals more than fifteen percent (15%) of the purchase price of the online order; and also shall not reduce the compensation paid to delivery service drivers to comply with this requirement.

This third emergency rulemaking is necessary to protect the well-being of the District of Columbia as it responds to the COVID-19 global pandemic. At the outset of the declared public and public health emergency, restaurants were restricted to takeout and delivery offerings, and they continue to operate under sharply restricted capacity limits, conditions which have placed a sudden and severe financial strain on many restaurants. It is in the public interest to take immediate action to maximize restaurant revenue from the takeout and delivery orders that are currently a critical source of revenue for these small businesses to enable restaurants to remain as sources of employment in the District.

The Notice of Emergency Rulemaking, which was published on June 19, 2020 at 67 DCR 7779, and Second Notice of Emergency Rulemaking, which was published on October 16, 2020 at 67 DCR 12053, previously numbered this new Chapter as Chapter 107 of Title 17 of the DCMR. However, Chapter 107 of Title 17 of the DCMR is already in use. Since duplicate chapters are not permissible, chapter reassignment is necessary. The next available Chapter in Title 17 is Chapter 115, so these rules have been transferred to Chapter 115.

This Third Notice of Emergency Rulemaking was adopted on January 29, 2021 and will remain in effect for up to one hundred twenty (120) days from the date of adoption, expiring May 29, 2021.

Title 17 DCMR, BUSINESS, OCCUPATIONS, AND PROFESSIONALS, is amended as follows:

A new Chapter 115, THIRD-PARTY FOOD DELIVERY PLATFORMS, is added to read as follows:
